## Teen Talk by Casey

'Project F' by Jeanne DuPrau is a sci-fi story that takes place 300 years after fossil fuels become illegal. On his train journey to pick up his newly orphaned 6 year old cousin Lulu, 13 year old Keith has his travel bag switched by accident. Thus begins an unexpected adventure for both Keith and Lulu. Should they keep the big secret? What is this new magical energy source? What does the 'F' stand for? When the secret is revealed will Keith become famous, or will he be exiled to another city for the rest of his life?

*Are you a teen interested in reading and reviewing books for the Teen books section? Stop by the library on a Monday or Tuesday and talk to Casey!*
